

## Direction to the FincaHotel Can Coll

Starting at the Airport of Palma de Mallorca and follow the signs towards the Highway. After round about 3km follow the “Via Cintura” towards “Andratx”.

After the Exit of “Inca” comes the Exit of “Son Hugo” and then the Exit of “Sóller”. Please take the Exit of Sóller and follow the street, passing a few roundabouts, towards the Tunnel of Sóller. We recommend driving through the Tunnel, otherwise you will arrive about 30 min. later at the FincaHotel.

When you exit the tunnel, follow the street down to the first roundabout, which you leave at the second exit towards “Port of Sóller”. After 400m comes a gas station on the right side. Please drive to the next roundabout and turn back (“U-turn”). Drive back until you have the gas-station on your left and turn in to the little road on the right. Follow this Street, making a little right turn until you reach our wall with the sign of Can Coll. Now follow the direction of reception. We are looking forward to welcome you!
