

Direction to the FincaHotel Can Coll

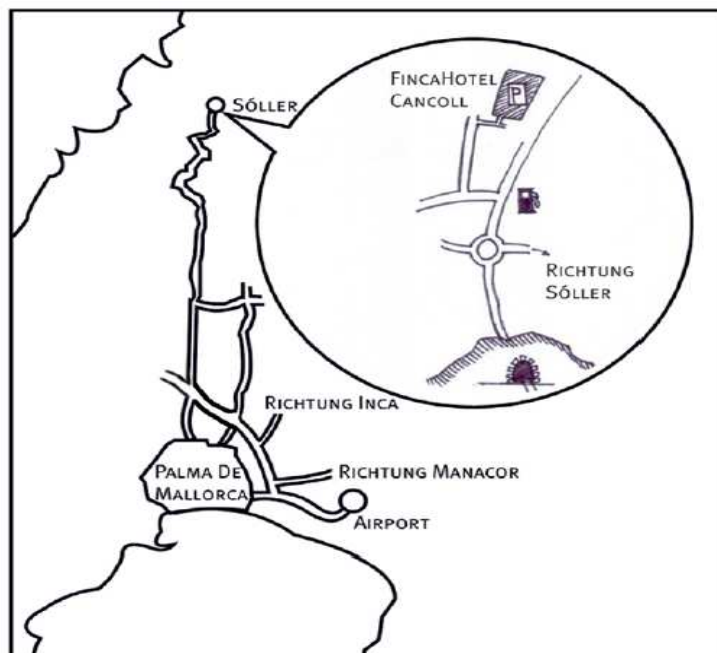

From the airport of Palma de Mallorca take the motorway to Palma and after about 3 km, follow the sign to the motorway "Via Cintura" towards Andratx.

After the Inca exit, follow the exit to Son Hugo and then the exit to Sóller, where you leave the motorway. This road you always follow to direction Sóller and after some roundabouts you reach the tunnel of Sóller.

Take the road through the tunnel as the road over the pass will extend your journey to our FincaHotel for about 20 minutes.

After the tunnel, follow the road into the valley of Sóller up to the first roundabout you leave at the second exit, towards Port de Sóller. After about 400 m. on the right side of the road is a small gas station. Please continue to the next roundabout to perform a "U-turn". Just opposite the gas station, goes a little road to our Finca Hotel. Turn right, therefore, in the small road opposite the gas station (Can Coll is signposted from here).

Follow this Street, making a little right turn until you reach our wall with the sign of Can Coll. Now follow the direction of reception and parking. We are looking forward to welcome you!
